FACULTY RESEARCH ASSISTANTS

Faculty who wish to use UNC students as research assistants to check out library materials can make special arrangements with the Access Services Department.

There will be a limit of two (2) assistants per faculty member. Please specify for which semester(s) each assistant will have privileges.

Faculty members will be held responsible for all materials checked out on their library accounts and will be expected to abide by the policy for faculty borrowing privileges.

The permission form will be kept on file at the Circulation desk. Assistants must be prepared to show their **UNC ID cards** for verification purposes. The library has the right to deny service if this form is not on file.
